*'working together to educate and train Uganda's next generation'*

## March 2011

I have been asked by many people - how can I help?

My simple answer is - £1 a week!

Please will you join with 799 other people by giving just £1 a week and together we can teach 40 Ugandan orphaned teenage each year at Kira Farm Training Centre, giving them life-changing skills that will cascade into rural communities, affecting thousands and thousands of lives.

Honest, it's as simple as that - lots of people doing a little, makes huge differences!

A big thank you to all who were able to make our 10th anniversary celebrations with Grace and Robert. It was a great 10 days visit with many speaking engagements, planning and management meetings.

Grace and Robert at Chittlehampton Village (N Devon) fascinated by 'grass roofed' houses with 'mud walls' and a hand water pump. We hope you have now warmed up back in Uganda guys!
